

AJUSTA-BUCKETS

www.ajustabuckets.com

Buckets & Adapters

Pavement Removal Bucket

Replacement buckets manufactured to OEM fit-up dimensions can be ordered in standard and custom sizes. Specialty attachments like hammer adapters and pavement removal buckets are also available.

Hammer Adapter

Ditch Cleaning and Grading Bucket

Ajusta-Buckets manufactures two common bucket types:

- **Trenching**
- **Ditch-Cleaning and Grading**

Standard bucket sizes and capacities available for various mini-ex, backhoe and excavator size ranges are shown on the following pages.

Trenching Bucket

Quick-Coupler

Other products

Since 1955, Ajusta-Buckets has been a leader in the design and manufacture of top quality heavy-duty attachments for the construction industry.

The Ajusta-Buckets product line includes:

- ◆ Quick-Couplers: both manual and hydraulic
- ◆ Hydraulic Swivel attachments
- ◆ Clamshell Buckets; Digging and Material Handling
- ◆ Custom Couplers and Adapters
- ◆ Buckets, rippers and other ground engaging tools

Manufactured in the USA by

YORK-SEAWAY

2251 Manchester Road Erie, PA 16506

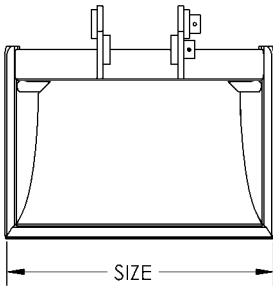

Phone: 888-448-2486

Fax: 814-833-2141

Ditch-Cleaning and Grading Buckets

Typically wider buckets with a shallower dig depth, **Ditch-Cleaning and Grading buckets** are designed for efficient smoothing and leveling or material handling. A variety of widths are available.

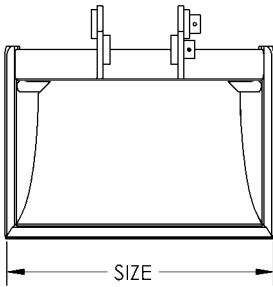

Optional bucket pins and custom sizes are also available.
